Patrick W. Hardy

TESTIMONIALS

"Patrick provided the best presentation we have ever had in the 25 years of our conference. His keynote was exciting, informative, and the drill at the end had all of our attendees absolutely raving."

- **International Foundation for Cultural Property Protection**

"There is no question that Patrick is one of the best speakers I have ever seen. He was funny, engaging, and all of this was surprising as we had hired him as a "disaster" speaker. His presentation was so well received that we invited him back to do longer sessions with our members in multiple years."

- **California Hotel and Lodging Association**

"Patrick was one of those rare speakers who can enthrall an audience and keep that attention for a long period of time. His dramatic style coupled with his great stories engaged our employees so well that people were talking about it for weeks afterward."

- **Acadian Companies**

"Patrick's webinar was a fresh perspective on what can sometimes be a dry topic. His approach to disasters and disruptions, coupled with his very energetic style, made for a fascinating 60 minutes."
